

The Droplet

Arborist Father's Day

We talked about America's holiday for Appreciation of Tools in a recent Droplet, but this one of their national holiday's is even more appropriate: **Arborist Appreciation Day**. This year, this holiday also coincides with the UK's **Father's Day**!

In the spirit of adopting this holiday in the UK, Birmingham TreePeople want to show their appreciation to all of those Abordads out there on **Sunday 16th June 2024**.

We recently celebrated **Volunteer Week**, **Mental Health Awareness month**, and as we know being in green space does wonders for your physical and mental well-being; that's why we should show our love to unique fathers with tree-lated skills!

Don't forget to water your trees this Summer – it may be a bit rainy, but they love that water, and need all the help and love they can get!
